The screenshot shows the Power Vision website's account creation page. At the top left is the Power Vision logo. To the right, there are links for 'Shopping Cart (0)' and 'My Dynojet', along with social media icons for Twitter, Facebook, and YouTube. Below the navigation bar, the 'Account & Contact Info' section is active. It contains a heading: 'Your account information is used to login to the site. Please save your password in a safe place.' Below this heading are several input fields: '*Your First Name:', '*Your Last Name:', '*Your E-Mail:', '*Create a Personal Password:' (with a note '(at least 5 chars long)'), '*Re-Enter Your Password:', and '*Phone:'. There is also a partially visible '*OK To E-Mail:' field at the bottom.

By default your new account will be setup as a retail customer. If you are a dealer, please contact us to have your new online account changed to a dealer account. This way you will receive the correct pricing.
